Welcome!

We are located in the northeast corner of Fort Worth, Texas. If you are traveling on Interstate 820, take the Denton Highway exit and go north approximately two miles. We are located on the right side of the street.

Welcome to Abundant Life Family Church and our church website! We believe this virtual tour will inform you about the exciting things going on in our local fellowship. You will also see some of the loving and exciting people who make up our church body.

Abundant Life Family Church is comprised of children, youth, singles and married adults. Our church unites people under the Name of Jesus Christ from various backgrounds, nationalities, and ethnicities.

Our church facility is large enough to serve you yet small enough to make you feel welcome and known. We encourage you to take your time as you surf around our site. We have included lots of pictures so you can see our facilities, our services, our children's program, and the many other areas where we are prepared to minister to you and your family.

Pastors Jim and Samantha Herring
